Dear Peter and Hiep,

Thank you so much for letting us stay in your beautiful home. We have really enjoyed our time in the peaceful bamboo bungalow. The food was amazing and it was lovely to take a tour of the lake and the floating house. We will be sure to come back if we are ever visiting Vietnam in the future, and will highly recommend to anyone!

Thank You!!!

Dear Peter & Heep,

Thanks for the wonderful and relaxing vacation. It's a paradise hidden away from city noise. All the time I was thinking about retiring (at age of 34) and having the same lifestyle like I had for those 2 days. No stress, no drama, just great food and a lot of beer...

One day...

This place is out in the sticks and is completely unique. Located on the edge of a lake, you are invited to have sundowners on Peter's house boat. Dinner is cooked by Hiep, his Vietnamese wife, totally authentic. My time here was really highly enjoyable, out of the ordinary and just super. Book it. You'll love it. It is rustic and out of the ordinary. Enjoy it for what it is. I recommend.

Een heel prachtig uitzicht op het meer. Met een eigen meerhuis, waar je naartoe gaat per vlot. Allemaal ook vlot gemaakt! Zeer lieve en propere mensen, leggen je echt in de watjes. Aanrader, zeker als je eens wat in de rust wilt vertoeven :-)
